

HUMPYBONG YACHT CLUB

Note: For each event a Race Officer of the Day (ROD) has been appointed from the committee to supervise the days racing. It is the responsibility of the ROD to coordinate the rest of the crews, determine the courses, and the sequence of races (i.e. One race before lunch and two after or three back-to-back, or some other sequence based on the conditions of the day) It is also the ROD's final call as to when racing is to be called off due to weather or some other event outside their control.

If you are unable to meet your commitment for the dates as outlined below it is your responsibility to arrange a swap with another rostered member and also inform the ROD.

Day	Race / Regatta	Race Officer of the Day (ROD)	Club Member	Club Member	Volunteer 1	Volunteer 2	Volunteer 3
